III. Current challenges for Dual VET

Trainees

• Finding Dual VET training place: number of unplaced applicants for Dual VET (2012: 15,600, 2014: 20,900); number of companies (esp. SME) providing Dual VET decreasing from 24 % (2009) to 20.7 % (2013)

• Increasing demands at the workplace / learning venue (foreign languages, etc.)

• Improving life-long learning opportunities in Dual VET (especially for older applicants)

• Gaining access to Dual VET and work through informally acquired competencies

Employers

• Finding young people for Dual VET: number of vacant training places rising from 2009: 17,300 to 2014: 37,100;

• Finding competent trainees for Dual VET who have the skills, knowledge and attitudes necessary for entering Dual VET ("trainability")

• Including disabled people

Government

• Dealing with future nationwide lack of skilled workers projected

• Dealing with demographic change leading to decrease in number of young people for labour market

• Countering trend of more and more young people choosing university over Dual VET

• Dealing with strong regional disparity with regard to Dual VET training place demand and supply

• Including disabled people

National Economy / Society

• People have difficulty entering Dual VET and hence the labour market and gainful employment

• Difficulty meeting demand of employers for skilled workers
